Missouri Justice Reinvestment Initiative – “Local Criminal Justice Leadership Teams” In August 2020, the Office of State Courts Administrator (OSCA) began hosting virtual workshops with Presiding Judges and criminal justice leaders. As part of the Justice Reinvestment Initiative (JRI), the Governor’s Office received federal grant funding from the Bureau of Justice Assistance through the Council of State Governments Justice Center. These funds are being administered by the Missouri Department of Corrections, and a portion of the funding is being made available to local jurisdictions with a priority given to address behavioral health concerns with the justice-involved population. Applications are due on December 23, 2020. In January 2021, the JRI Executive Oversight Council (established by Executive Order 18-08) will review applications and determine awards. Up to \$50,000 per award. Funding is expected to be distributed in February 2021. Once awarded all funds <u>must be</u> spent by August 31, 2021. Recommendation: Apply to support the Medication Consistency Initiative in two ways: legal services and project director.	Debbie Allen/ Donna King	10
